

# PART# 02-105

## OPTIONAL HEADLIGHT TEMPLATE INSTALLATION

Templates are marked Right and Left. Place template on cowl. Be sure to align tabs flush with cowl, and use tape to secure to cowl.

# 1

Using a marker, trace the inside of the headlight template.

# 2

Using a cutting tool cut along the inside of markings. Some trimming may be necessary to make light fit snug.

# 3

**TEMPLATE INSTALLATION COMPLETE**
